CIRCULAR NO: 9/2015

TO: DIRECTORS (TSC HQS)  
COUNTY DIRECTORS

## RE: EXECUTIVE ORDER NO. 6 ON ETHICS AND INTEGRITY

Reference is made on the President's Executive order No. 6 on Ethics and Integrity issued on 6<sup>th</sup> March 2015.

The order was issued following the rampant corruption witnessed in the Public Service. The Commission is tasked with the promotion of Ethics, Integrity and Anti-Corruption ideals in the teaching service.

The purpose of this circular is to urge you to embark on the following measures to help promote integrity and ethical Culture in our workplace by doing the following:

1. Ensure that the contents of this executive order No. 6 brought to the attention of all working under you.
2. The County Directors should disseminate the same to all Heads of Learning Institutions.

3. Prepare a signed list of officers indicating that they have read and understood the content in the order and submit the same to the Commission Secretary immediately.

The teaching profession is a noble profession with teachers as positive change agents who have a remarkable influence in the communities where they live and work. Hence, all TSC employees must take an active role in promotion of ethics, integrity and corruption mitigation.
